BOPT/DT/2021-22/

03.02.2022

To,

All GMs / DGMs/ AGMs & HR Officials,

(Establishments participating in skill development activities under NATS)

Sub: Simplification of registration process for industry/establishment in NATS  
portal ([www.mhrdnats.gov.in](http://www.mhrdnats.gov.in))

Dear Sir / Madam,

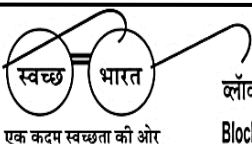

At the outset, I would like to convey a Warm Season's Greetings to all of you.

You might be aware that the National Apprenticeship Training Scheme (NATS) is being implemented uniformly throughout the country on a digital platform since September, 2015. Industry/establishments being one of the most important stake holders are hereby encouraged to participate proactively in the Scheme by registering themselves on the NATS portal. Similarly, students are also continuously persuaded to enroll on the portal so as to provide digitally the best match of demand and supply. In order to further simplify the enrolment process for students and registration process for new establishments, Ministry of Education is continuously working to bring in new dimensions in the portal every year. Recently, under the guidelines of Ministry of Education, Govt. of India, all establishments are hereby informed that the simplified process in NATS portal do no longer require submission of hard copies once they submit their applications on line. It is expected that this simplified process will help more and more industries to register themselves with much of ease. The submitted online registration form by the industry/establishment are verified by BOPT (ER). Subsequently after approval establishment / industry are able to conduct business transaction through portal.

Thanking you,

Yours faithfully,

Sd/-  
Director
