

BOARD OF PRACTICAL TRAINING (EASTERN REGION)
KOLKATA

Video conferencing meeting with the stakeholders (Establishments) registered under NATS with BOPT(ER), Kolkata for demonstrating DBT facility in NATS 2.0 portal.

I would like to take this opportunity to thank all my industry/TPA partners for putting up lots of queries related to DBT during the series of VC meeting held with the industry partners and AICTE team developer and BOPT Officials held during the period of 02/01/2024 to 05/01/2024. To make the DBT successful and to understand the difficulties of industry/TPA partners, the AICTE team has also been invited to be present in this meeting so that the portal related to DBT is made smoothly operational and the concern of industry partners are appropriately sorted out.

In view of the fact that DBT for the payment of stipend to the apprentices for the month of December 2023 onwards is required to be done instead of reimbursement system. Need is felt to provide the industry/TPA partners to raise their concern with the AICTE team developer in regard to DBT. A helpline no. **6291827930** has already been operational for taking calls as a part of ease of doing business for establishments. Accordingly, it has been once again decided that a series of VC meetings as mentioned above need to be further continued and the new schedule in this regard has been finalized for the interest of the industry partners as mentioned below:

Time: 03:00 PM to 04:00 PM from 09/01/2024 to 12/01/2024 under the meeting link:
