BOPT/DT/DBT Notification/2023-24/01

28.12.2023

NOTIFICATION

Sub: Implementation of DBT on NATS

As you all are aware of the decision of the Ministry of Education, Govt. of India to register all the active contracts of NATS 1.0 & NATS 2.0 Portal at the DBT beneficiary registration.

There are few cases where the beneficiary registration failed or had warnings, due to various reasons. For these cases, the BOPT is in touch with the concerned POC / establishments / apprentices, and asking them to take the needful action as per the remarks received from the PFMS.

For example, a beneficiary registration might have the status of **warning** with the reason "*Aadhaar never enabled for DBT and beneficiary has been created based on account*".

Action to be performed by the apprentice and to be ensured by engaged establishments:

- 1. The apprentice can reach out to the nearest Aadhaar center and request to enable DBT payment & visit his active bank & request to make his bank account - Aadhaar seeded & primary account at NPCI records.*
- 2. Post the completion of the above-mentioned activity and receive a successful response from bank NPCI, the apprentice needs to click on the "re-register button" on his/her student / apprentice dashboard under "DBT registration status" to re-initiate his registration.*

Similarly, for all the different warnings the apprentices need to take necessary action at their end and update the portal by clicking on the "re-register" button as mentioned above.
