Venue: Seminar Hall

Board of Practical Training (ER)

Block: EA, Sector-I, Salt Lake City, Kolkata-700064

Date: 15/06/2022

Time: 11:00 AM onwards

This board organized a meet with the interested Third Party Aggregators (TPA) and non TPA s for a long term collaboration in order to implement and develop NATS on a wider scale for both freshly passed out Engineering and Non-Engineering students. The meeting was chaired by Director, BOPT-ER, Kolkata. Director, Northern Board (BOAT) and Director, Western Board (BOAT) added glory to the same with their attendance. The meeting was attended by approximately 42 representatives of various entities (list of participants is enclosed herewith).The representatives of various entities were welcomed by Officer-on-Special Duty, BOPT-ER at the outset. He thanked all the participants for attending the meeting as well as for extending their help to organize the meeting.

In the keynote address, Director, BOPT-ER and the Chairman of the meeting conveyed his sincere thanks to all participants and respective dignitaries of different entities for extending their help and cooperation to make this meeting happen. In his speech he expressed the importance of Skill Development and bridging the gap between academic and industrial environment. In addition, He mentioned in brief the view and mission of Ministry of Education towards Skill Development of the youth throughout the country. He cited the importance of TPAs and their role in implementing NATS policy. He requested all the TPAs to come forward and join NATS so that a huge team of skilled and trained manpower is being made available as per the requirement of the industries/establishment.

Dy.Director, BOPT-ER extended a PPT presentation with respect to NATS and related areas .He laid stress on the standard operating procedure of the same and how to exercise the implementation according to the guidelines available for all.

During the interactive session including fact related queries the delegates from different entities actively made their participation and appreciated the efforts made by the team of BOPT-ER towards implementation of NATS on wider scale. During the discussion and interaction the following points had emerged and representatives agreed on the same.

- i) The approval mechanism invites a number of layers.
- ii) The process of claim transfer is time taking on certain occasions.
- iii) There is more need to take the industries and students into confidence as far as the implementation of NATS is concerned as there is a demand supply gap existing in the market.
- iv) All TPAs are likely to enroll for as fast as possible in order to put into effect the policy at large.
- v) All have been provided with the important operating provisions of The Apprentices Act and other details, covering clauses, eligibility etc. post which they can fill up the prescribed registration form.

Asst. Director (I), BOPT-ER added few grounds and demonstration for TPAs should they collaborate with the concerned.

A concrete summarization giving focus on mobilization of the policy was placed by Asst. Director (III), BOPT-ER, followed by a vote of thanks by the entire team.

The following resolutions were being initiated:

- a) The supporting establishments must have at least one branch office/unit of its establishment located in the Eastern Region.
- b) The NATS TPA must submit supporting letter of minimum 5 establishments within 15 days of issuance of provisional empanelment letter issued by BOPT(ER) and by end of first 60 days they must submit supporting documents of minimum 10 establishments.
- c) The NATS TPA must have adequate resources and strategies to mobilize different category of students matching with the demand of supporting establishments.
- d) The NATS TPA must fulfill all the eligibility requirements.
