To
All the Establishments

Sub: Submission of Claim Bills generated through NATS 2.0 portal as a part of reimbursement.

Dear All,

Wish you all a Warm Greetings from BOPT (ER)!

Inviting reference to above subject, it is to note that till now the establishments were / are not being able to get the reimbursement in respect of apprentices engaged in NATS 2.0 portal for the period prior to 01.04.2024 (date of implementation of DBT for all establishments). It was due to the fact that the claim bills generation facility in NATS 2.0 portal was not functioning correctly and the print out of the generated bills contained some calculations and formatting error(s).

Now it is being informed to all such establishments that claim bills generated on or after 01.07.2024 has been found to be correct and are being processed at BOPT (ER).

All establishments who have generated and taken the print out of the generated claim bills before 01.07.2024 and might have submitted to BOPT (ER) also are requested to kindly refresh the same bills and submit online once again subsequent to which the print out can be re-generated and the same is required to be submitted to BOPT (ER) after affixing signature and seal at appropriate places for consideration.

This is for information of all establishments having active contracts on NATS 2.0 portal for reimbursement of stipend claim prior to 01.04.2024.

With regards,

Sd/-
