To  
The GM (HR) of all Establishments having registered  
Contracts on Regional portal of BOPT (ER) i.e. [www.portalbopter.com](http://www.portalbopter.com)

**NOTICE**

Dear Sir / Madam,

It has been observed that a significant amount of claim in respect of apprentices engaged during the financial years 2021-22; 2022-23 & 2023-24 and registered on regional portal [www.portalbopter.com](http://www.portalbopter.com) are yet to be raised from the portal by the establishments. Since BOPT (ER) is required to submit a close estimation of the fund requirement to the Ministry, it is requested that all establishments having registered their apprentices on regional portal as mentioned above and have due claims must submit the same immediately before 15.09.2024. This will help in preparing correct estimate of the fund required for the Ministry. Based on the required document, fund will be made available to BOPT (ER) and only such establishments will be reimbursed in this financial year who are submitting their claim bills from regional portal before 15.09.2024.

The matter please be given top-most priority.

With regards,

Sd/-
