Sub: Framing Credit Mechanism for Apprenticeship Training under National Apprenticeship Training Scheme (NATS)

Dear all representatives of Establishments,

Following our recent communications and virtual meetings regarding the Assessment Mechanism for Graduates and Technician Apprentices, we would like to bring your attention to the following important points:

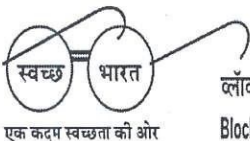

- Reference Document:** The document pertaining to the Assessment Framework can be accessed on our website at [www.bopter.gov.in](http://www.bopter.gov.in) under the announcement section. Please note that this document is for reference purposes only. However complete list of QP/NOS can be accessed from the below link: [nsdcindia.org](http://nsdcindia.org)
- Matching QP/NOS:** It is crucial that the QP/NOS (Qualification Pack/National Occupational Standards) provided in the document are compared and aligned with the existing training modules of the graduate and technician apprentices employed by your establishment.
- Preparation of QP File:** In cases where suitable QP/NOS do not currently exist for specific job roles, your establishment is requested to prepare the QP/NOS and submit it via email to [director@bopter.gov.in](mailto:director@bopter.gov.in) for review and further necessary action.
- Submission Deadline:** As agreed during our VC on 26 June 2024, establishments across different sectors are required to submit the document by email to [director@bopter.gov.in](mailto:director@bopter.gov.in) no later than 10 July 2024, 5 PM.

Your prompt attention to these matters is highly appreciated, and we kindly request your cooperation to ensure the successful implementation of these skill development initiatives.

Should you have any questions or require further clarification, please do not hesitate to contact your respective Assistant Director at your earliest convenience.

Thank you for your continued cooperation.
